This Public Notice serves as notice that Federal Communications Commission (Commission) Chairman Ajit Pai has appointed members to serve on the Disaster Response and Recovery Working Group of the Broadband Deployment Advisory Committee (BDAC). The members of this working group are listed in the Appendix.

The BDAC is organized under, and operates in accordance with, the Federal Advisory Committee Act (FACA).<sup>1</sup> The BDAC's mission is to provide advice and recommendations to the Commission on how to accelerate the deployment of high-speed Internet access.<sup>2</sup>

The BDAC's Disaster Response and Recovery Working Group is charged with making recommendations on measures that can be taken to improve resiliency of broadband infrastructure before a disaster occurs, strategies that can be used during the response to a disaster to minimize the downtime of broadband networks, and actions that can be taken to more quickly restore broadband infrastructure during disaster recovery.
